

Declaration of Adherence

By joining the BSA, you agree to adhere to its Charter.

In particular, as a member, you are required to do the following:

1. Undertake regular maintenance safety inspections – these should be recorded in writing. The frequency of inspections required is dependent on annual road mileage but most operators will require 6 weekly inspections;
2. Undertake daily driver pre-use inspections – these should be recorded in writing;
3. Drivers must have HGV licences;
4. Drivers must be provided with specific Volumetric driving training on induction;
5. Drivers must receive suitable annual refresher training;
6. Volumetrics must not be operated over their design weight limits (both gross or axle).

By joining the BSA, you specifically agree to adhere to the above statements and more generally the BSA's Charter.

The BSA reserves the right to exclude any member who fails to adhere to these requirements.
